February 2019

Dear Association Family,

This is your call to Association Day, Saturday, September 21. The meeting will be from 9:00 - 4:00, we hope you can come! Our speaker, Sandy Scott, reminds us that “Association Day is an opportunity to share our gratitude for increasing spiritual growth and renewal in our practice of Christian Science.”

Once again, we will gather Friday night. We hope you will join the group. An idea for the purpose of this night is developing. We will be in touch with you soon. The room will be open from 7:00 - 9:00 p.m.

We are looking forward to having Sandra (Sandy) Scott from Murray, Kentucky speak to our Association family. Sandy is a life-long Christian Scientist who is married and has two adult children. She’s a member of the Murray, Kentucky Christian Science Society, where she has served as both First and Second Reader, taught in the Sunday school and served on the Executive Committee.

Sandy's degree is in music education. While pursuing her masters in music she realized the healing practice was more important, so changed her course! In 2003, Sandy began advertising in the Christian Science Journal as a full time Practitioner. She has had articles, testimonies and interviews published on JSH-Online.com and in the Christian Science Sentinel, Journal, and Monitor, and has been interviewed on Sentinel Radio. Sandy has served on her own Association board and has addressed her own and other Associations. You can find her articles and Sentinel Radio Edition Podcasts on JSH-Online by searching: Sandy Scott, Sandra Scott or Sandra LeCompte Scott

As your Executive Committee we have been continuing to treasure the healing mission of our Association and will send a letter soon with some ideas to further this purpose. We welcome inspiration you have had. Please be in touch with us or with Marcia via email, postal mail or phone and let us know how you have been praying about the healing mission of our Association.

If you have not attended Association recently and would like to talk with one of us, please be in touch. We look forward to chatting with you! Also, for those of you who are “regulars,” we encourage you to be in contact with others you haven’t seen in a while.

Requests are welcome from Association members who need assistance to attend the Association meeting. It’s helpful if the requests can be made on a timely basis, so please contact Marcia. And, as a reminder, the benevolent fund is always open to receive donations.

As usual, the logistics information for the meeting will be sent in late May or early June. We deeply appreciate your prayers and support for Association throughout the year. We look forward to seeing you in September.

Lovingly,

Your Executive Committee,
